## Sport agus Spreaí le Colaistí? – March 30<sup>th</sup>, 2011

VENUE: DCU

March 2011

A Chara,

On behalf of Cumann Camógaíochta Na nGael and Dublin City University, we wish to invite your school to participate in a day that focuses on fun and participation in Camogie. This event is for 1<sup>st</sup> year girls and will cater for both beginners and experienced players.

This event is a partnership between the Local Secondary Schools, Fingal County Council sports partnership, Cumann Camógaíochta na nGael, The Irish Sports Council and DCU. It is aimed at increasing participation in the game and improving communications between parties thereby enhancing the profile of Camogie. Hurleys, helmets and sliotars for use by beginner schools, along with prizes and promotional materials for all participants has been kindly funded through grants received from all the above partners.

This one-day event will consist of three sections namely:

- a) The **Skills for All** Section is for those who have never played Camogie before (beginners) or have had limited opportunity to play (improvers) to date. This will consist of a skills coaching session administered by the DCU Camogie team of which there are many inter-county stars.
- b) The **10-a-side Blitz** section is for those who currently play Camogie at club/school level and for the beginners to Camogie. If your school does not have enough to make up a team please send in participating numbers and we will match these players with other schools in the same position. If you want to bring along more than 1 team on the day that's fine just enter number of students attending on the form below.
- c) A specific **coaching course** for the Team Managers/Teachers.

We encourage all schools to participate and look forward to meeting you then. Any queries please do not hesitate to contact me at the number below.

Please return application forms to the address below.

**Closing Date: Tuesday 22<sup>nd</sup> March at 5pm.**

Kind Regards

*Eve*
